FOR IMMEDIATE RELEASE

Longtime Anoka County Employee Receives AMC Award

The Association of Minnesota Counties (AMC) recently recognized Anoka County's Pam LeBlanc with an Outstanding Service Award for her 42 years of service to the county.

LeBlanc currently serves as chief officer of Property Records and Taxation for the county and has held several other positions during her tenure. Over the course of her career, LeBlanc has worked collaboratively with other departments, community partners, counties, and professional organizations. She has fostered a cohesive team atmosphere in her department and continually finds ways to develop leaders in her division.

"I can't think of anyone more deserving who truly exemplifies what AMC looks for in county service," said Commissioner Scott Schulte, chair of the county's Property Records and Taxation Committee. "I'm truly proud of the work she has done for Anoka County."

LeBlanc is the previous president of the Minnesota Association of County Officers and continues to be an active member of that organization by serving on the legislative committee. She also currently serves as part of the AMC Tax Forfeiture Work Group.

Each year since 1977, AMC has recognized valuable innovations and improvements in county government with County Achievement Awards. Awards were presented at the AMC Annual Conference Dec. 4-6. AMC is a voluntary statewide organization that assists the 87 counties in providing effective county governance to the people of Minnesota.
